MEMBERSHIP INFORMATION

This Member Guide describes your AAA Northern New England (NNE) member benefits. All members are entitled to receive Classic benefits. Extended Roadside Assistance services for AAA Plus®, AAA Plus® RV, AAA Premier® or AAA Premier® RV benefit levels are effective seven (7) calendar days after upgrade is processed, and receipt of the full payment due. This applies to new purchases, upgrades and new associate members added to existing memberships at any of these service levels. The extended benefits will not apply to any vehicle breakdowns that occurred prior to, or during, the 7 day period. A non-refundable service fee may apply each time you use Roadside Assistance on the same day you become a member. See AAA.com/servicefee for fee amount.

Members cannot transfer or sell their membership, membership benefits or any roadside assistance service calls to any other person. Without limiting any other rights or remedies it may have, AAA Northern New England may cancel the membership, and seek payment of any costs incurred as a result of such misuse.

AAA Northern New England Membership

All applications and renewals are subject to approval and acceptance by AAA Northern New England. If at any time during the year you decide that AAA is not for you, we will give you a pro-rated refund of the membership dues you paid, excluding the new member admission fee and discounts. **Membership eligibility, dues, fees, services and benefits are subject to change without notice.** Returned checks and returned electronic payments may be re-presented electronically for payment. Each returned check and returned electronic payment is subject to a returned payment fee. For returned electronic payments, this fee may be debited electronically.

AAA Primary and Associate Memberships

The first membership in your household is the Primary Membership. All changes and modifications for a membership must be done by the Primary member. If the Primary member cancels, fails to renew, or otherwise modifies associate(s) on their membership, it is not the responsibility of AAA Northern New England to notify the associates of these changes. The Primary member's spouse or other household residents can be added as associate members. Associate members receive the same benefits as the Primary member. An associate member must be of driving age and reside in your household. There is a limit of six associate members per membership. Primary Members are responsible for the conduct and service demands of their Associates and any costs to AAA Northern New England incurred as a result of misuse of AAA Northern New England benefits by their Associates under the membership. An individual may be a member on only one membership at a time.

Membership Renewal

AAA Northern New England membership is valid for one year (excluding special offers and promotions). The day, month and, in most cases, year that your membership expires appears on your membership card. (If you are enrolled in AAA Auto Pay, your membership card may indicate a two year expiration date, but your membership nevertheless will not stay active unless you pay your membership dues annually.)

Membership may be renewed annually upon payment of applicable annual membership dues. Prior to the expiration of your membership, you will receive one or more renewal notices. These notices will state the names of the current Primary and Associate Members, the current services, and the total membership dues required for renewal. You may add or change Associate Members and services if desired. Your renewal payment is due as of your membership expiration date. We accept renewal payments up to 90 days after your membership expiration date. If you renew your membership prior to your membership expiration date or within 90 days thereafter, your original membership number, membership join date and membership expiration date will remain unchanged and your renewed membership term will expire one year from your membership expiration date, even if such new expiration date is less than one year from the date you paid for your renewal. AAA Northern New England will continue to provide most membership benefits and services to you after your membership expiration date for a limited period of time; however, if you do not renew, you will be billed a service charge for certain services used during such period.

If you prefer not to renew, you may purchase a new membership at any time subject to all applicable new membership policies. New memberships are issued with new membership numbers, no prior "membership years," and may require payment of certain non-refundable fees, such as a new member admission fee. New memberships expire one year (excluding special offers and promotions) from the membership join date.

Membership Cancellation Policy

AAA Northern New England may cancel any Primary or Associate Membership if the conduct Primary or Associate member is in violation of the rules of AAA Northern New England or is deemed to be harmful to the welfare, standing, or best interest of AAA Northern New England, its employees, or its members. Membership may also be cancelled if the service demands of the Primary Member or Associates are determined to be excessive. Primary Members are responsible for the conduct and the service demands of their Associates.

AAA Auto Pay

By signing up for the AAA Auto Pay program, your membership will automatically renew each year unless you contact us to cancel. Each year before your membership expires, we'll send a statement of your current services and renewal dues amount. Unless you contact us to make changes to or cancel AAA Auto Pay, AAA Northern New England will automatically renew your Membership and charge or debit the dues shown on your statement to your payment account on file in the case of a Credit/Debit Card account within approximately 10 to 15 days of your renewal date shown on your statement and in the case of a checking account, on approximately the business day prior to the renewal date shown on your statement. You may cancel Automatic Renewal at any time online or by contacting us at 800.222.3612.

If your credit/debit card issuing financial institution participates in the Card Account Updater program, unless you opt out of the service with your card issuer, we may receive an updated credit/debit card account number and/or expiration date for the card information you have previously provided us. We will update our files and use the new information when we bill you for your annual membership dues. We won't receive updated information if your account has been closed.

Collecting Your Contact Information

As a membership organization, it's vital for AAA Northern New England to have our members' current contact information (e.g., address, phone and email) in order to provide member benefits and to inform members of the various products and services offered by AAA Northern New England. We will ask for your contact information when you first become a member. Thereafter, when you contact us, we will ask for your contact information to authenticate your identity and to ensure that we have your most current contact information.

Non-Solicitation Request

If you do not want offers from us or our affiliates, contact your local AAA branch or write to AAA Northern New England, Attention: Membership Privacy, PO Box 25001 Mail Stop A112, Santa Ana, CA 92799-5001 and provide your full name and street address, membership number, telephone

number and email address along with your request to be placed in our Do Not Solicit File. Your request will take effect within 60 days of our receipt. During this time, you may receive mailings that were already in progress. You will continue to receive *Northern New England Journey* magazine, other communications directly related to your membership, and promotional offers with your bills and renewal notices. We send a privacy notice annually, as required by law. We reserve the right to modify this Notice at any time.

ROADSIDE ASSISTANCE

Roadside Assistance

Calls placed to our 24-hour call centers may be recorded to increase our ability to monitor the quality of service and assist in addressing member concerns. **Please contact us and cancel your service request immediately if you no longer need assistance.**

When requesting service be prepared to provide:

- Your name and AAA membership number
- Telephone number from which you are calling or can be contacted
- The exact location of your vehicle and nearest cross streets
- Make, model, year, color and license plate number of the vehicle
- Nature of the trouble

Members can request Roadside Assistance online at: AAA.com/roadservice and submit a road service request, check their status, or update their call. Select the option for Road Service Online.

A SAFETY MESSAGE

If you are concerned for your safety or for the safety of others, tell the AAA Northern New England service representative or the service provider. Procedures have been established to assist members in certain situations.

When requesting Roadside Assistance it is very important to give an accurate location for you and your vehicle. If you are unsure of the vehicle's location, or you prefer not to remain with your vehicle, advise the service representative, who will work with you to establish a mutually agreeable location for the service driver to meet you. Accept service only from service providers that display the AAA or AAA Northern New England emblem.

YOUR AAA MEMBERSHIP CARD IS YOUR KEY TO SERVICE

To receive Roadside Assistance you must present your AAA membership card or dues receipt to the service provider when the service vehicle arrives. A driver's license or other form of matching photo identification also will be required.

Service is available only to the person named on the membership card who is the driver of or a passenger in the vehicle at the time of the covered vehicle disablement. AAA memberships are not transferable and membership service is not provided to non-members. Members cannot transfer or sell their membership or any service call to any other person. Other members of your household who want Roadside Assistance must have their own membership cards, in their own names, to obtain service.

Unless a valid AAA membership card and identification are presented at the time of service, you will be expected to pay for the service provided at commercial rates.

If a member is injured in an automobile collision, the service provider, when requested, will take possession of the vehicle and hold it until receiving instructions from the member. Any storage fees will be the responsibility of the member.

ALLOWABLE ROADSIDE ASSISTANCE SERVICE CALLS

Each AAA Northern New England cardholder is entitled to four (4) Roadside Assistance service calls or reimbursements per membership year at no charge, subject to the service limitations and conditions described in this guide. There will be a service charge for each additional service call after the fourth service call or reimbursement. AAA Northern New England may require immediate payment of a service charge by credit or debit card for "Classic" benefit level service before providing Roadside Assistance on the fifth or subsequent service request in a membership year. Additional charges for Roadside Assistance services beyond the "Classic" benefit level, such as towing beyond 5 miles, the cost of emergency fuel, excess vehicle locksmith services, and services such as towing, extrication/winch and tire change service for RVs and motorcycles, will be payable by the member directly to the service provider at the time of service at such service provider's applicable rates. If the member is unable to provide a valid credit or debit card to AAA Northern New England at the time of service request or the charge is not approved by the credit or debit card company, AAA Northern New England may send service on a "Cash on Delivery" (COD) basis, meaning all charges payable by the member will be paid directly to the service provider at the time of service at such service provider's applicable rates. If a cardholder has an unpaid service charge balance and contacts AAA Northern New England for Roadside Assistance service, AAA Northern New England may require immediate payment of both the unpaid balance and the service charge for the current service call before providing service. The nonpayment of a service charge may result in cancellation of membership.

AAA RV & Motorcycle Optional Benefit which, when added to AAA Plus or AAA Premier, extends AAA Plus or AAA Premier benefits to include your motor home, pickup truck with camper, motorcycles, and travel trailers. Travel trailers are defined as trailers for the purpose of camping with sleeping accommodations. To add the AAA RV & Motorcycle Optional Benefit you must be a AAA Plus or AAA Premier member. AAA RV & Motorcycle Optional Benefit does not add extra allowable service calls.

TYPES OF SERVICE

- **MINOR MECHANICAL FIRST AID**
When it is safe, minor mechanical adjustments may be attempted at the scene to place the vehicle in a drivable condition. These repairs cannot be guaranteed and members should immediately proceed to a repair facility to consult a mechanic. AAA Northern New England cannot guarantee the availability of repairs. The AAA Northern New England service representative or the service provider can assist you in locating a local AAA Approved Auto Repair facility, upon request.
- **FLAT TIRE SERVICE**
If the vehicle's spare tire is inflated and serviceable it will be installed to replace a flat tire, if possible. When a serviceable spare tire is not available or cannot be installed towing will be provided under the towing benefit. With AAA RV & Motorcycle Optional Benefit, members will receive RV flat tire service on allowable service calls.
- **BATTERY JUMP START**
If your vehicle's battery is dead the service driver will jump-start your vehicle, if possible. If it cannot be started, towing will be provided under the towing benefit.

- **AAA MOBILE BATTERY SERVICE**

AAA Mobile Battery Service is a mobile battery testing and replacement service. In areas where the service is available, a AAA Mobile Battery Service technician will test and assess the vehicle's battery and electrical system. If the existing battery fails the test and the member would like to have the battery replaced, the member can purchase a AAA battery. The technician will install a new battery, if available, that meets or exceeds the vehicle's original specifications. All batteries come with a 3-year free replacement warranty valid in the U.S. and Canada. **AAA Mobile Battery Service is part of Roadside Assistance for AAA members, generally provided by independent service providers, and is only available in select areas during select hours.** Batteries and battery warranties are provided by independent suppliers. The battery test and replacement service count as one of the member's four allowable service calls per membership year. Batteries are available for most makes and models. Battery prices vary depending on vehicle make and model. Warranty valid in the United States and Canada. Copies of the warranties are available for inspection from the technician at any time upon request. Membership Roadside Assistance terms and conditions apply to AAA Mobile Battery Service.

- **EMERGENCY FUEL DELIVERY**

If your vehicle runs out of fuel, a limited supply will be delivered, if available, in an emergency situation to enable you to reach the nearest gas station. Classic members will be charged the current pump price for the fuel. AAA Plus and AAA Premier members will receive a limited supply of fuel at no cost to reach the nearest gas station. Diesel fuel must be requested when you request service and may not always be available. In some cases your vehicle may have to be towed if it runs out of fuel.

- **EXTRICATION/WINCHING SERVICE**

If your vehicle becomes stuck, one normally equipped service vehicle and one driver will be provided to extricate or winch your vehicle when it can be safely reached from a normally traveled road or established thoroughfare. Extrication of vehicles parked on streets, driveways, parking lots or alleys which are snowbound or flooded is not covered under AAA membership. Service does not include shoveling snow from around a vehicle or clearing a road or driveway. If special equipment, more than one service vehicle or more than one person is required, the associated costs may be at your expense. AAA Plus and AAA Premier members who require extrication or winching for a vehicle will be provided up to two drivers and two service vehicles, if needed, at no additional charge. For extrication or winching of an RV or motorcycle, only members with AAA Plus RV & Motorcycle or AAA Premier RV & Motorcycle will be provided up to two drivers and two service vehicles, if needed, at no additional charge on an allowable service call.

- **VEHICLE LOCKOUT AND LOCKSMITH SERVICE**

When the keys are locked inside the vehicle passenger compartment the service provider will attempt to gain entry. If this attempt is not successful and the services of a vehicle locksmith are required to gain entry, the expenses are fully covered or reimbursable. (See Reimbursement.)

When the services of a vehicle locksmith are required for lost or broken keys, keys locked in the trunk, or other automotive emergencies, vehicle locksmith service up to \$60 in parts and labor will be provided for Classic members. AAA Plus members receive up to \$100 for parts and labor for the services of a vehicle locksmith, and AAA Premier members receive up to \$150 for similar locksmith services. If a vehicle locksmith is not available or cannot place the vehicle in an operable condition, towing will be provided under the towing benefit.

- **TOWING SERVICE**

When a vehicle cannot be started or safely driven due to a sudden breakdown, accident or other covered vehicle disablement, the service provider can tow the vehicle back to its facility, no matter how far away, at no charge to the member. A covered vehicle disablement is a sudden or unexpected mechanical, electrical or other failure of a motor vehicle that places the vehicle in an unsafe or undrivable condition. Not all service providers perform repairs at their facility. If you choose to have the vehicle towed to another location (including a AAA Approved Auto Repair facility), it will be towed without charge to a destination of your choice that is up to five (5) driving miles in any direction from the point of breakdown for Classic members and up to 100 driving miles for AAA Plus members. With AAA Premier, you can use one (1) allowable Roadside Assistance service call per household per membership year for a tow of up to 200 driving miles, and the remaining service calls per membership year for tows of up to 100 driving miles. With AAA Plus RV & Motorcycle Benefit, the tow benefit is up to 100 driving miles on one of your four service calls allowed in the membership year. Under AAA Premier RV, the one Premier tow per household per membership year can be used on any eligible vehicle, including an automobile, RV or motorcycle. Neither AAA Plus, AAA Plus RV & Motorcycle, AAA Premier nor AAA Premier RV & Motorcycle adds any additional allowable service calls per membership year. Only the distance limit of tows are extended under AAA Plus or AAA Premier. AAA Plus, AAA Premier and Optional RV & Motorcycle Benefit towing may be subject to a delay.

A member must be present when the vehicle is delivered to a closed repair facility. Towing beyond the benefits described above will be performed at the member's expense and may be subject to delay. AAA membership covers one tow per disablement.

COMPLIMENTARY ONE-DAY CAR RENTAL REIMBURSEMENT FOR AAA PREMIER® MEMBERS

If your vehicle is towed by AAA or one of its contracted network service providers on one of your four allowable Roadside Assistance calls, AAA Premier membership entitles you to a rental car (up to midsize) reimbursement for one day if you are stranded without transportation in AAA Northern New England's club territory.* With AAA Premier, each cardholder is entitled to reimbursement towards one complimentary one-day rental car or taxi service per membership year, provided AAA Northern New England is contacted first to determine member eligibility and provide rental/taxi authorization. The AAA Premier member has up to 48 hours from the time of the tow to call AAA Northern New England and request the one-day complimentary rental car or taxi service. AAA Premier Members are responsible for any subsequent day's rental charges, upgrades, vehicle insurance, mileage, and fuel charges and any other charges, fees, and taxes. Normal rental qualifications, age restrictions, and other restrictions apply. *Rental cars are subject to availability. One-day rental costs (up to mid-size) or taxi service will be reimbursed following submission of original receipt and reimbursement application.

RIDE ASSIST

If you are a AAA Premier member and have an accident or breakdown, a AAA Northern New England representative can help you with information on car rental locations or other transportation arrangements.

ACCIDENT ASSIST

AAA Premier members can receive verbal assistance at the time of an accident or breakdown. When you call for Roadside Assistance ask AAA for information on car rental locations.

ROUTE SUPPORT

AAA Premier members can call AAA Premier services from within the U.S. to receive driving directions and assistance. Whenever possible, members should pull over to a safe spot before making a call to use this service.

INDEPENDENT SERVICE PROVIDERS

Roadside Assistance services as described in this guide are generally provided by independent businesses under contract to AAA Northern New England (not employees or agents of AAA Northern New England, the American Automobile Association or other AAA clubs). These businesses are selected for their ability to provide Roadside Assistance. We cannot guarantee they will have parts or be able to provide repairs.

While responsibility for injury, loss, damage or unsatisfactory workmanship caused by the acts or omissions of any independent service provider remains with the independent service provider, AAA Northern New England will attempt to assist members in resolving complaints involving an independent service provider. Member complaints should be received as soon as possible and before additional repairs are made. Failure to do so may limit our ability to assist.

ELIGIBLE VEHICLES

The following motor vehicles are eligible for service, provided they qualify for highway registration and are not loaded, altered or constructed in such a way as to cause damage or create a hazard when being serviced:

- Automobiles, pickup trucks, sport utility vehicles, vans, minivans and light utility motor vehicles (including rented and commercial passenger vehicles, but excluding taxicabs, limousines, shuttles, motorcycles, scooters, mopeds, snowmobiles, tractors, all-terrain vehicles, buses and other vehicles for hire) are eligible for those services which can be safely performed with equipment available from the service provider, including slings, wheel-lift devices, car carriers (flatbeds) and dolly wheels. Members may be required to disengage plows or other vehicle attachments in order to safely provide service.
- Recreational Vehicles (RVs) are eligible for service with the exception of towing, extrication/winch and tire change service. Towing, extrication/winch and tire change service for RVs is available with the AAA RV & Motorcycle optional benefit (requires the purchase of AAA Plus or AAA Premier). RVs include motor homes, pick-up trucks with campers, and travel trailers. Travel trailers are defined as trailers for the purpose of camping with sleeping accommodations.
- Motorcycles are eligible only for the delivery of fuel and locksmith services. Towing and extrication/winch service for motorcycles is available under AAA Plus RV and Motorcycle and AAA Premier RV and Motorcycle benefits. Motorcycles must be licensed for highway use.

SERVICE OUTSIDE NORTHERN NEW ENGLAND

Outside Northern New England, AAA Northern New England members are entitled to Roadside Assistance from the local AAA or Canadian Automobile Association (CAA) club servicing the area. Members will be required to pay the service provider for any service that the local AAA or CAA club does not normally provide its members. A request for reimbursement of service charges may be submitted to AAA Northern New England for consideration. (See Reimbursement)

CHECK ACCEPTANCE FOR EMERGENCY REPAIRS

A member's personal check for up to \$250 will be accepted by the service provider for emergency repairs and services. A valid membership card and driver's license will be required for identification.

EXTREME SERVICE CONDITIONS

AAA Northern New England will make every effort to ensure that the provision of Roadside Assistance can be made under all conditions. During severe weather or road conditions, however, there may be some service delays before help can reach you. Heavy traffic may also delay the arrival of the service provider driver. Because towing is by far the most time-consuming type of service AAA Northern New England provides, towing operations may be temporarily suspended to avoid excessive delays to members waiting for other services. During such times, priority will be given to members stranded away from shelter or to members with vehicles that have skidded and/or become stuck on highways in severe snowstorms.

SERVICE LIMITATIONS

Service will be limited to that which can be provided with equipment ordinarily used for Roadside Assistance by the service provider serving the area. Service will not be provided when the disabled vehicle cannot be safely reached or serviced without damage to the vehicle or servicing equipment.

Service may not be used as a substitute for regular maintenance necessary to keep a vehicle in good operating condition. AAA Northern New England cannot render service repeatedly to a vehicle in need of repair.

An individual's AAA membership may not be used by a business or organization to provide roadside assistance for its customers, employees or vehicles.

Towing service is intended for personal, non-commercial use, and is only provided for a covered vehicle disablement and will not be provided for the purpose of transporting vehicles due to a purchase, sale, renovation, auction transaction, car show exhibition, charitable donation, relocation or any other similar situation. Such tows are considered "convenience tows" and are not covered Roadside Assistance services.

Without limiting any other rights or remedies it may have, AAA Northern New England may seek reimbursement from a primary or associate member for roadside assistance services fraudulently or wrongfully obtained by the primary or associate member. Primary members are responsible for the conduct and the service demands of their associate members.

The following services are not provided under the membership benefit:

- Service to a vehicle located in an area not regularly traveled by private passenger vehicles (such as a beach, open field, creek bed, private logging or forest service road and un-plowed roads or driveways).
- Shoveling snow from around a vehicle or clearing a road or driveway.
- Servicing or extrication of vehicles on inaccessible streets, back roads, driveways, parking lots or alleys which become snowbound or flooded.
- Towing of vehicles purchased in an inoperable condition.
- Cost of vehicle locksmith services beyond what is necessary to place the vehicle in a condition to be safely driven (such as duplicating keys, non-emergency lock repairs and re-keying of vehicle locks).
- Service in situations where appropriate identification in addition to the membership card is not provided to the service driver.
- Use of two or more Roadside Assistance service calls to extend the member tow mileage benefit for the same breakdown.
- More than 100 driving miles of towing per allowable Roadside Assistance service call for AAA Plus members.
- More than 200 driving miles of towing on one (1) allowable Roadside Assistance service call per AAA Premier household per membership year and more than 100 driving miles of towing on the remaining allowable Roadside Assistance service calls.
- Towing, extrication/winch and tire change service for RVs and towing and extrication/winch service for motorcycles, unless the member has AAA Plus RV & Motorcycle or AAA Premier RV & Motorcycle coverage.
- More than 100 driving miles of towing per allowable Roadside Assistance service call for an RV or motorcycle for Plus members with AAA RV & Motorcycle Optional Benefit.
- More than 200 driving miles of towing on one (1) allowable Roadside Assistance call per membership year per household on an RV or motorcycle for Premier members with RV & Motorcycle Optional Benefit.
- The installation or removal of snow tires or chains.

- Charges related to impound or stolen vehicle recovery, towing or storage, or any police ordered tow for illegal parking or other violations of state and local laws.
- Installation of automotive parts that are not provided by the service provider.
- May not use AAA Plus, AAA Plus RV, AAA Premier or AAA Premier RV benefit level services prior to seven (7) calendar days after upgrade is processed and receipt of full payment due. This applies to new purchases, upgrades and new associate members added to existing memberships at any of these service levels. The extended benefits will not apply to any vehicle breakdowns that occurred prior to or during such seven day period.
- Roadside Assistance does not include parts or labor. AAA does not guarantee priority service for repairs at a contract repair facility or require a contract repair facility to open for repairs outside their normal hours of operation.
- AAA will not reimburse members for taxi fares, telephone calls, rental cars, storage fees, room charges, tax charges, tolls, etc. or any other incidental charges occurring when roadside assistance is provided.

REIMBURSEMENT

If it is necessary for a member to pay for covered membership service at commercial rates, the member must request an itemized receipt listing the member's name, vehicle and services rendered by the service provider. For reimbursement consideration, the member must send the original receipt and an explanation of the circumstances to AAA Northern New England* within 60 days of the date of service. A reimbursement counts as a Roadside Assistance call. (See Allowable Roadside Assistance Calls.)

* Send requests to: AAA, Attn: Reimbursement, P.O. Box 3544, Portland, ME, 04104.

Reimbursements for services, including services received outside of Northern New England, will only be considered for those membership services which AAA Northern New England provides without charge. (Exception: Vehicle locksmith service will be reimbursed up to \$60 for Classic members, up to \$100 for AAA Plus members and up to \$150 for AAA Premier members.) Certain terms, conditions and exclusions apply and are subject to change without notice. A service charge will be deducted from a reimbursement when applicable. Reimbursement is not provided for taxi fares, telephone calls, rental cars, etc.

Members will be reimbursed for membership services at the prevailing commercial rates when AAA service was requested from a AAA or CAA club, but the membership could not be verified. Reimbursement will be issued upon subsequent verification that the member's valid membership was in effect at the time of service.

PARTIAL REIMBURSEMENT

Only partial reimbursement, limited to the amount AAA Northern New England would have paid an independent service provider, will be made when AAA was not called to provide service. If towing is covered by an automobile insurance policy, the maximum reimbursement for a tow bill will be limited to the amount AAA Northern New England would have paid an independent service provider to provide the service. Certain terms, conditions and exclusions apply and are subject to change without notice. A service charge will be deducted from a reimbursement when applicable.

Home Lockout

If you are a AAA Premier member and you become locked out of your home, you can receive up to \$100 in locksmith services to pick or drill the lock to gain access to your home from the outside. Home lockout service is reserved for a AAA Premier member's primary residence in AAA Northern New England's territory only and excludes all other buildings or locked areas. The service provides up to \$100 for the cost of re-keying, changing locks or making a new key only when the lock must be drilled to gain entry to the home or if keys are lost or stolen. Any charges in excess of \$100, as well as all charges associated with any other residential locksmith services, are at the expense of the AAA Premier member.

Home lockout service is limited to one (1) usage per AAA Premier household per membership year. Home lockout service is not transferable to any other person. The AAA Premier member must be present at the time of service. Identification and proof of residence is required. In the case of rental property, approval of the property owner may be required. Service is provided by independent locksmiths and is subject to availability; if AAA Northern New England cannot dispatch service, the member will be referred to a commercial locksmith and will be reimbursed for covered service up to \$100. Locksmith arrival time is based on locksmith availability.
